WEB DESIGNER

JOSE TORRES

MADE IN THE US

EXPERIENCE

Bloc Inc.
UX/UI DESIGN APPRENTICESHIP PROGRAM

SEP 2014-JAN 2015

Learned the fundamentals of design and mastered the principles of User Experience. Produced User Interface designs for responsive websites and mobile apps for Iphone. Created userflows and wireframes with Adobe Suites. Translated psd mockups into webpages using HTML, CSS and Javascript. I also created my portfolio as my last project utilizing the skills gained throughout my time at BLOC Inc.

Freelance
FRONT-END WEB DEVELOPER

JAN 2014-MAR 2014

Front-end web development for a non-profit organization in Houston, Tx Area. Focused on developing the webpage using programming languages such as HTML, CSS, Javascript and jquery utilizing MVC text editor.
